

America – **West Side Story**

Leonard Bernstein

Voix 1

**I like to be in America
Okay by me in America
Everything free in America
For a small fee in America**

I know a boat you can get on
Hundreds of people in each room

**Automobile in America
Chromium steel in America
Wire spoke wheel in America
Very big deal in America**

If there's a road you can drive on
How you fit all of them inside

**Immigrant goes to America
Many hellos in America
Nobody knows in America
Puerto Rico's in America**

If there's a current to turn on
What have they got there to keep clean?

**I like the shores of America
Comfort in yours in America
Knobs on the doors in America
Wall to wall floor in America**

When you will shut up and get gone
Every one there will have moved here

**I like to be in America
Okay by me in America
Everything free in America
For a small fee in America**

Voix 2

**Oh.....America
Oh.....America
Oh.....America
Oh.....America**

I like the city of San Juan
Hundreds of flowers in full bloom

**Oh.....America
Oh.....America
Oh.....America
Oh.....America**

I'll drive a Buick through San Juan
I'll give my cousins a free ride

**Immigrant goes to America
Many hellos in America
Nobody knows in America
Puerto Rico's in America**

I'll bring a T.V. to San Juan
I'll give them new washing machine

**I like the shores of America
Comfort in yours in America
Knobs on the doors in America
Wall to wall floor in America**

When I will go back to San Juan.
Every one there will give big cheer

**I like to be in America
Okay by me in America
Everything free in America
For a small fee in America**
